

Summer Camp 2019

In the summer we offer a day camp for all **kids going into 1st grade through 6/7th grade or 12 years of age**. We schedule 1-2 field trips every day and go everywhere from our own skating rink to the Jasmine Moran Museum, the Tulsa Zoo, Incredible Pizza and so much more. Here on campus we'll be holding our own Olympic Games and the children will dazzle us during our Annual Rhema Kids Talent Show. In an effort to help your children to develop as much as they can we are holding "Character Building" classes.

Our campers are a fun mix of kids that have never attended Rhema and kids that have grown up in our preschool and get to visit us for this short time. We consider this camp an opportunity to pour into the lives of children that we may not see on a regular basis. We like to make sure your kids have a summer that they will never forget!!
